| GVWR            to                      |  |                                       |  |

- ☐ Incomplete vehicles - means an assemblage consisting, at a minimum, of chassis (including the frame) structure, power train, steering system, suspension system, and braking system, in the state that those systems are to be part of the completed vehicle, but requires further manufacturing operations to become a complete vehicle. Also means an incomplete trailer GVWR            to

## What Type of Vehicle Manufacturer or Alterer is Your Company? (Check all that apply)

*Note: If you are a complete vehicle or incomplete vehicle manufacturer, you must also submit VIN deciphering info under FMVSS Part 565.*

- ☒ Completed Vehicle Manufacturer - a manufacturer of vehicles that require no further manufacturing operations to perform their intended functions
- ☐ Incomplete Vehicle Manufacturer - a manufacturer of vehicles, as described above
- ☐ Intermediate Manufacturer - a manufacturer (other than the incomplete vehicle manufacturer or final stage manufacturer who performs manufacturing) operations on a vehicle manufactured in two or more stages
- ☐ Final-Stage Manufacturer - a manufacturer who performs such manufacturing operations on an incomplete vehicle that it becomes a complete vehicle
- ☐ Alterer - a person who alters by addition, substitution, or removal of components (other than readily attachable components), a certified vehicle before the first purchase of the vehicle other than for resale

## Instructions for Completing, Revising, and Submitting Your Information

49 CFR Part 565 requires that a manufacturer of motor vehicles and regulated motor vehicle equipment, submit to NHTSA not later than 30 days after manufacturing begins information about the company and the products it manufactures. This suggested form will assist a manufacturer to comply with that duty. It also provides the form by turning back to a company for complete information. The form is not intended to be a substitute for a company's internal records, and it is not intended to be a substitute for a company's internal records. The form is not intended to be a substitute for a company's internal records.

Mail the completed form to:
